Description

Topo interprets the organic beauty held within topographical maps and the forces that shape it. The intersecting lines, both solid and dotted, dance in a captivating rhythm across the face of the upholstery. Constructed with a polyurethane base, Topo is ultrasonically embossed to enhance the texture on the face of the fabric. The dimensional polyurethane is as striking as it is durable. Suitable for all high traffic interiors with over 100,000 double rubs, Topo also has a Graffiti Free finish for additional protection against ink and stains. Care Instructions

Use cloth with any of the following in preferred order of use:

- 1: Clear warm water
- 2: Mild solution of liquid detergent and warm water
- 3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Do not use solvent based or concentrated abrasive cleaning agents, lacquer thinners or nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first.

If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
