| Care Instructions   | <p>Always use a clean, white, soft cloth.</p> <p>Clean in situ using a damp cloth and mild detergent. Sponge down afterwards with a clean, damp cloth.</p> <p>Using a cloth to pat dry will help eliminate watermarks.</p> <p>Ensure the pile is brushed back to its natural direction.</p> <p>Upholstered furniture should be regularly vacuumed or brushed with a soft nylon brush to remove grit or dust, which may damage the pile.</p> <p>Never use stiff bristles or wire brushes, as they may damage the fabric.</p> <p>Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.</p> |
| Warranty            | 2-year warranty. Visit <a href="https://baresque.com.au/warranty">baresque.com.au/warranty</a> for complete details.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
