GLASS BEADS LOFT

Wallcoverings » Decorative Wallcoverings

Glass Beads is a 92cm wide decorative wallcovering with a large scale bricks pattern that's available in 3 colourways.

Description	The delicate glassbeads are scattered onto a modern design inspired by the industrial world. The texture is delicate with a tactile quality. Its hazy light effect dazzles the eye. Loft is a timeless collection of patterns blending several materials: a perfect harmony drawing inspiration from nature and modernity. Inspired by wall patinas weathered by the depths of history this new collection blends non-woven prints and resplendent minerals: glass beads and mica sparkles. A subtle interplay between shadow and light, matt and shine, on unique designs inspired by nature or geometry. Like a handprint, the print techniques are selected to convey the beauty of the material's imperfections.
