Simple, tactile, and imperfectly perfect is how we describe our twelve Zintra Organic Etch designs. Introducing Twitch, a creative use of undulating lines and vertical accents.

Description

Drawing inspiration from the craftsmanship of skilled artisans, Organic Etch effortlessly blends human creativity with the beauty of the natural world. Organic Etch panels not only enhance interior spaces with design and depth but also offer superior acoustics. Available in a diverse range of designs and choice of colours, each tells a story of simplicity, tactility, and imperfect perfection.

Twitch: Features undulating bursts of lines overlaid on a traditional herringbone base. The creative use of columns and short parallel lines, combined with vertical accents, adds depth and texture to walls, creating a visually captivating effect.

Embrace imperfection and unlock the beauty of organic design. With a choice of 30 colours, lightweight and easy to cut Organic Etch is the perfect acoustic alternative to traditional commercial wallcoverings.
